

INTERNATIONAL DIRECTORY OF
Southeast Asia Librarians

Compiled by Virginia Jing-yi Shih

University of California, Berkeley

June 2007

PREFACE

This *International Directory of Southeast Asia Librarians* supersedes the *International Directory of Southeast Asia Librarians & Catalogers* that I compiled in 1999. It is produced on behalf of the Committee on Research Materials on Southeast Asia (CORMOSEA) which is a committee of the Southeast Asia Council (SEAC) of the Association for Asian Studies. This directory primarily lists the individuals who work with the Southeast Asia collections in various capacities at institutions in Australia, Brunei, Cambodia, Canada, Denmark, France, Germany, Japan, Lao PDR, Malaysia, Myanmar, the Netherlands, Singapore, Taiwan, Thailand, United Kingdom, the United States of America, and Vietnam. Individual entries are arranged in alphabetical order by institutions in the mentioned countries. It is my hope that this directory will serve as a useful reference guide to facilitate professional communications and promote international cooperation of Southeast Asia scholarship and librarianship in the future.

Each entry includes the following information as submitted to the compiler:

- 1) Full name
- 2) Job title
- 3) Institution address
- 4) Telephone number
- 5) Fax number
- 6) Electronic mail address
- 7) Home page (if available)
- 8) Language expertise (optional)

I would like to thank all individuals who submitted their entries to make this directory possible. Thanks are also due to Mary Scott from Graphics Service in Charles Franklin Doe Memorial Library at the University of California, Berkeley for the directory cover design.

Last but not least, I accept full responsibility for any omissions or errors in this directory.

Chair of CORMOSEA Subcommittee on Technical Processes
